CHICAGO SURFACE LINES

Transfers issued only when fare is paid and valid only for continuous rides over reasonably direct routes allowing for the time necessary to change cars at transfer points.

Transfers accepted only at points of crossing, convergence, divergence or extension with line last used and valid only when presented by or for person or for whom issued.

Reverse riding will be subject to the questioning of the conductor.

Clock indicates time of leaving zone in which transfer was issued.

Travelling time is checked by zones from transfer point back to starting zone. 10 minutes per zone is considered the standard time.

Passengers should check the marking of transfers after each presentation.

PENALTY FOR FRAUDULENT USE

It is a misdemeanor, punishable by FINE of not to exceed \$25.00 for any person:

- (1) To sell, exchange or give away this transfer.
- (2) To throw away this transfer, without first tearing same in two.
- (3) To offer this transfer for passage, unless received from an agent of the Company for the use of person offering same.
- (4) To use this transfer for stop-over purposes.

(See Unification Ordinance passed November 13, 1913.)
